4 Year Old Class Options

We have 2 class options for your 4 year old child. Plus an additional afternoon class available to morning or afternoon classes.

- 1. Three Days a Week (morning): Mondays, Wednesdays and Fridays, 9:00 AM 11:30 AM. This class will focus on play-based academics, including those recommended for children heading to kindergarten. We strive to prepare them for this transition both academically and socially/emotionally. As always, our classes also focus on art, music, fine/gross motors skills and fun! The cost for this class is: \$540 per trimester, or \$180 per month.
- 2. Four Days a Week (afternoon): Mondays, Tuesdays, Thursdays and Fridays, 12:30 PM 3:00 PM. The basis of the curriculum for this class is the same as the morning option. But, with an additional day, there is more time for everything, and some areas can be explored in greater depth. Two of the extended areas focused on in this program are hands-on science experiments and math projects. The cost for this class is: \$720 per trimester, or \$240 per month.
- 3. Adventure Afternoon: Wednesdays, 11:35 PM 3:00 PM. This afternoon will be a bonus time to provide the opportunity for the AM class to stay all day once a week, or for the PM class to attend 5 afternoons a week. The focus of this class will be exploring art & music, cooking, and gross motor activities (physical education). The cost of this class is \$180 per trimester, or \$60 per month. This class would be signed up for, in addition to, either the 3-day-a-week morning session or the 4-day-a-week afternoon session.

The teachers at St. Andrew's are committed to giving your child a preschool experience that builds up him/her as a person, as well as a student.

We use the Curriculum Standards provided by the Pennsylvania Department of Education to guide us as we design and implement the curriculum.

If you have any questions, please don't hesitate to call the Nursery School.

NOTE: Class sizes and scheduling may change due to Covid19 guidelines.
