

## 4/5 Year Old Class Options

We have 2 class options for your 4 year old child.  
Plus an additional afternoon class available to morning or afternoon classes.

1. Three Days a Week (morning): Mondays, Wednesdays and Fridays, 9:00 AM – 11:30 AM. **CLASS IS FULL – No waiting list**

This class will focus on play-based academics, including those recommended for children heading to kindergarten. We strive to prepare them for this transition both academically and socially/emotionally. As always, our classes also focus on art, music, fine/gross motors skills and fun! The cost for this class is: \$585 per trimester, or \$195 per month.

2. Four Days a Week (afternoon): Mondays, Tuesdays, Thursdays and Fridays, 12:30 PM – 3:00 PM. **CLASS IS FULL – Email for waiting list availability.**

The basis of the curriculum for this class is the same as the morning option. But, with an additional day, there is more time for everything, and some areas can be explored in greater depth. Two of the extended areas focused on in this program are hands-on science experiments and math projects. The cost for this class is: \$780 per trimester, or \$260 per month.

3. Adventure Afternoon: Wednesdays, 11:35 PM – 3:00 PM.  
**CLASS IS WAITING LIST ONLY**

This afternoon will be a bonus time to provide the opportunity for the AM class to stay all day once a week, or for the PM class to attend 5 afternoons a week. The focus of this class will be exploring art & music, cooking, and gross motor activities (physical education). The cost of this class is \$195 per trimester, or \$65 per month. This class would be signed up for, in addition to, either the 3-day-a-week morning session or the 4-day-a-week afternoon session.

The teachers at St. Andrew's are committed to giving your child a preschool experience that builds up him/her as a person, as well as a student. We use the Curriculum Standards provided by the Pennsylvania Department of Education to guide us as we design and implement the curriculum.
